

July 24, 2002

Dear Valued Customer:

As you know from our previous communication to you, our Heparin Sodium Injection, USP (Porcine Derived) 1,000 units per mL has been out of stock for a few months. In fulfillment of our commitment to our customers to return to the market as soon as possible, we are pleased to announce that the 30 mL Multiple Dose Vial is now available.

HEPARIN SODIUM INJECTION, USP (Porcine Derived)

<u>NDC#</u>	<u>Strength</u>	<u>Package Size and Volume</u>
0641-2450-45	1,000 units per mL	25 x 30 mL Multiple Dose Vial

We will also notify you as our 1 mL Dosette[®] vial and 10 mL Multiple Dose Vial presentations become available in the near future. You may contact your ESI Lederle sales representatives with any questions. Orders may be placed directly with Wyeth's Customer Service Department by calling (800) 666-7248.

Thank You,

ESI Lederle
